At Steel City Schools Partnership we want to provide a range of experiences which add excitement and enjoyment to children's learning and personal development. All our pupils should have an equal opportunity to benefit from school visits, curricular and extra-curricular activities.

Many of these activities have a cost associated with them and, unfortunately, cannot be provided unless we ask parents for voluntary contributions and, in some cases, make a charge. However there are strict rules we have to abide by. Our charging policy, which has been agreed by Directors, sets out what we will charge for, how we will try to make it manageable for parents and how we will help parents with limited incomes.

The Academy policy on charging for activities will aim to ensure that no child is excluded from an activity because of the inability or unwillingness to pay on the part of the parent/carer.

The Directors state that no profit is made on any day or residential trip or unless otherwise stated and best value is always sought to keep costs as low as possible.

Voluntary contributions for activities as part of the Curriculum

When organising school trips, visits or workshop activities which enrich the curriculum and educational experience of the children, the Academy invites parents to contribute to the cost of the activity. All contributions must be by the due date. If we do not receive sufficient voluntary contributions, we may have to cancel the activity. Parents who are unable to pay can make an appointment with the Principal to discuss payment options.

Charging in Kind

The cost of ingredients, materials, equipment etc. needed for practical subjects such as food technology or DT is budgeted for and borne by the Academy. However, the Academy may charge for or require the supply of ingredients and materials if the product is to be owned and taken home by the child afterwards e.g. food products, models containing electrical equipment or batteries. The Academy will inform parents prior to activities, giving them the choice to pay for materials or purchase their own materials for the activity.

Breakages & Fines

The Directors reserve the right to ask parents to pay for the cost of replacing any item such as:

- Broken windows
- Defaced, damaged or lost text books
- Any item damaged as a result of unsatisfactory pupil behaviour

Items sold by the Academy

The Academy makes a number of items available for purchase by parents e.g. school uniform, P.E. kits, and book bags.

Costs are kept as low as possible and the Academy takes advantage of bulk purchasing opportunities. Any profits are directly reinvested for the pupils benefit e.g. school fund for fun activities and towards additional equipment.

Charging for copies of documents

The Directors may make a charge, to cover but not exceed the cost of supply, when requested to provide copies of pupil records, policy statements, OFSTED Reports and other school documents to parents or other entitled persons.

Steel City Schools Partnership aims to provide nursery education in an environment which values diversity, promotes equal opportunities and has an ethos of inclusion. All children are encouraged to develop confidence and recognise value in their contributions to their learning. SCSP is committed to offering an inclusive curriculum to ensure the best possible progress for all our children, whatever their needs or abilities.

Entitlement to Nursery Education

Steel City Schools Partnership offers 2, 3 and 4 year olds the entitled 15 hours weekly, free Nursery education for 38 weeks per year, during term time. This free entitlement can be shared between more than one setting. Parents will be required to sign a parent/school contract stating when and where children are accessing their 15 hours free entitlement.

The 15 hour free entitlement can be made up using 5 x 3 hour morning or afternoon sessions, or full days subject to availability within each school setting. Additional sessions can be purchased on a termly basis subject to availability and the completion of a parent/school contract.

Admissions Policy

- The responsibility for determining the admissions for nursery age children lies with the Directors of Steel City Schools Partnership.
- The Directors have agreed that any available sessions, over and above the 15 hours free weekly provision will be chargeable.

Additional Nursery sessions and charges

- Additional 3 hour nursery sessions are subject to availability and will be allocated on a first come first served basis.
- Sessions are charged at £4.00 per hour and this charge will be reviewed annually.
- Additional sessions and charges will be outlined in the parent/school contract.
