

# Fox Hill Primary Family Survey Spring 2015

Each term we run a survey for our families through both our website and at our termly Family Consultation meetings. Here are the key findings from our Spring survey.

Wow! We behave well!  
60% strongly agree and  
38% agree that  
behaviour is managed well  
at Fox Hill!

### What next...

- To implement the House Points system to further improve behaviour.
- Have more incentives to celebrate positive behaviour.

87% of families believe that we tackle bullying effectively in school.

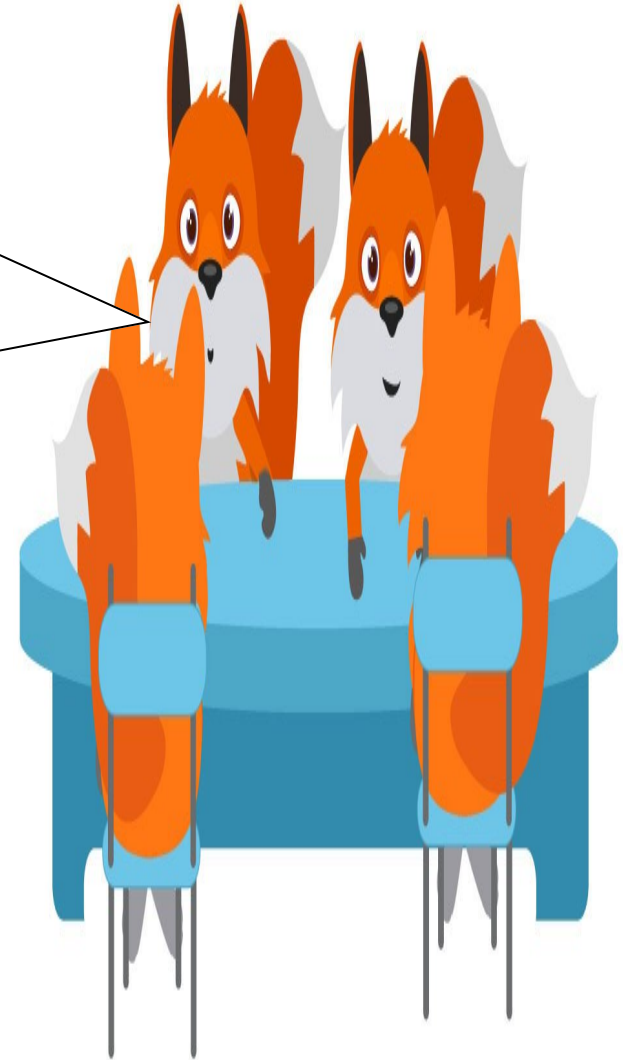

### What next...

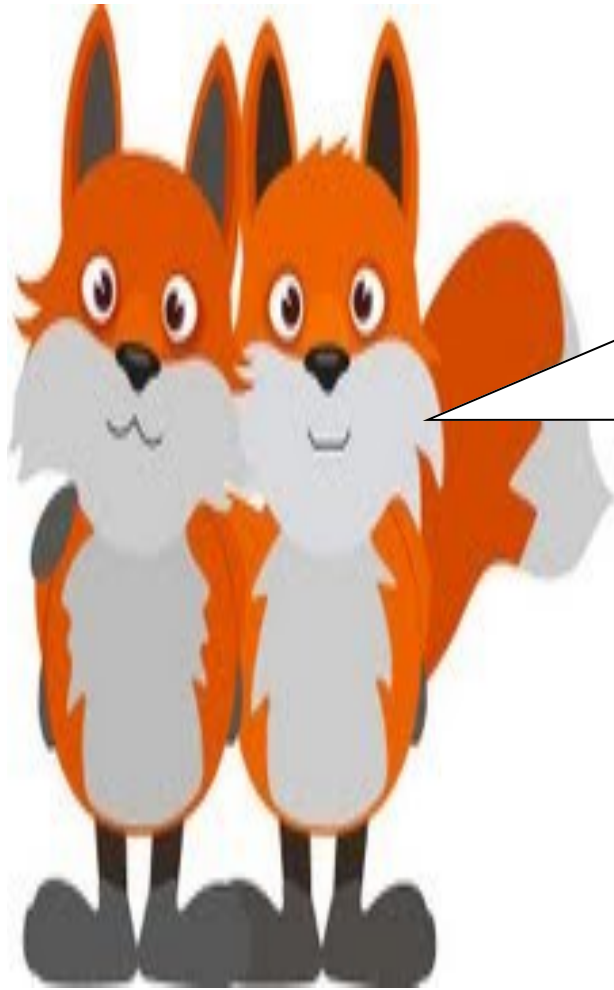

- Continue to promote our anti-bullying work e.g. special assemblies, workshops etc.
- Develop anti-bullying work across the Trust and further e.g. competitions.

90% of families agree that Fox Hill is well led and managed.

### What next...

- Further develop links between our academy and home e.g. online, workshops etc.
- Develop Leadership coffee mornings for parents to attend and chat about and have more input into life at Fox Hill.

When asked, 68% strongly agreed and 28% agreed that children are well looked after in school.

### What next...

- To continue to develop the pastoral and nurture provision available.
- Further develop pupil leadership roles.
- Develop the new playground provision.

70% strongly agree  
and 27% agree that  
children make good  
progress at school.

### What next...

- To continue to share learning and progress through exhibitions, parent meetings, AFA and more.
- Continue to develop the curriculum to ensure all children make good progress.

78% of you strongly agreed that your child feels safe and happy in school!

### What next...

- Continue to run pupil voice activities to develop the new Fox Hill Primary to meet the needs and hopes of children.
- Ensure systems and procedures are in place as we move into the new building.

72% of families strongly agree that children are taught well at Fox Hill!

### What next...

- To continue to develop the new curriculum initiatives in our new build e.g. immersive classrooms.
- To work with our Trust academies to further embed the new STAT system.

60% strongly agree and  
30% agree that any  
concerns raised are  
dealt with effectively.

### What next...

- To ensure that there is effective lines of communication between school and families.
- Ensure quick response time to any concerns raised.

67% strongly agree and  
32% agree that they  
would recommend Fox  
Hill Primary to another  
family.

### What next...

- Continue to work closely with families to promote the work done at Fox Hill e.g. Twitter, Facebook, blogs, website etc.
- To continue to run open mornings & exhibitions to engage families in learning.
